“ My recollection of cousin Jerri is of a vivacious, pretty blue eyed blond who always had a smile on her face and a kind word about everyone. She totally enjoyed her work with senior citizens, especially assisting them with their various questions and unique issues which she sought to solve. Jerri truly loved her 2 children, Frankie Jr. And Kelly plus grand kids. She was definitely devoted to their happiness and well-being. I am sure Jerri will be missed but she is at peace now.
