“ *Mom Gladys is absolute great woman! She's loving , honest and very caring person . She always have kind words to people around her . She loves to cook and prepare great meals all from scratch . And mind you , she can cut the whole apple pie in 10 pieces equally 🥰😊 . I asked her , how did you do that ? Her reply was that, if you live in depression era , nothing go to waste and everyone has to have a piece. 😊*

We used to go out shopping together with my son Anthony , and my sister Joy and her Sean son when they were little. We try to hit the bargains and sales during the holidays. She never missed Anthony's birthday , sending him birthday and Christmas card with money inside especially when Anthony lost both his grandparents at an early age .

We love you Mom ! Your sweet memories will always be in our hearts . May you Rest In Peace 🙏
