“ I met Gloria and Tony at West Caldwell Care as well.....I have to agree with the early post that Maria Rios wrote.....the dedication to Gloria by her husband Tony is quite remarkable to say the least. His selfless acts of kindness and care, showed the love he truly had for his wife "in sickness and in health" which never meant more once I was blessed with knowing Tony and Gloria. I do hope that Tony and Anthony and family can find peace in Gloria's passing.....clearly she was a memorable person and they will hold a spot in my heart as well.....God Bless !

“ *Although I never knew Gloria, over the last few years I got to spend time with her husband, Anthony who year after year spent day after day there with her. He put on her make up, polished her nails, picked out her clothes, and just cared for her in a way I have never seen. She must have been one pretty special lady to have been blessed with a pretty special husband, so dedicated, like Anthony. May she rest in peace, and may Anthony also find peace in her passing.*

“ Gloria an amazing sister in law. Purple hair at beauty school, many trips to Macy’s, McDonalds beach, alaskin king crab legs on Christmas Eve, escarole and beans and making my mon look beautiful when she past. The love story between her and my brother that so many people wish they had. You will always be in my heart and I will keep you close in my memories. Rest in peach, love Margaret xo
