“ I worked with Greg for 5 years. He was a faucet of knowledge. He was kind and one of those people that were gentle to their core. He loved to make others laugh. There is a lot from Greg that I will never forget. Thank you for being a wonderful human being. It is good to know people like you have existed, and do exist. Thanks Greg.

“ Greg helped me with an old laptop and to set up my new one. That's how we met. But what I remember is connecting as Navy veteran to Marine vet mom; how important service to country is and the price paid by those who serve. He was proud, soft-spoken and patient. I am saddened to learn of his passing. Godspeed Greg.

“ I worked with Greg at Capitol Care for two years. He was the kindest, most gentle man who truly wanted to help others. He will be dearly missed.
