December 6, 1934 - November 11, 2019

Pompton Plains- Greta D. Pickering, age 84, passed away on Monday, November 11, 2019 at Mountain View Gardens in Cedar Crest Village. Born in Barbados to the late Cyril and Eva (Cave) Rock, Mrs. Pickering came to the United States in 1963. She had been the office manager for Omega Graphics in Wayne before her retirement. She was a caring and gentle soul with a genuine smile that was warm and contagious. Mrs. Pickering was an amazing artist and would paint a masterpiece every year and have it printed as Christmas cards and sent to family and friends. Many of her family and friends anxiously awaited her yearly card and would cherish it gently and keep it safe from damage. Most of them have been framed and adorn the walls of those lucky enough to receive such an intricate and lovely gift. Besides her parents, she was predeceased by her husband, John and her sister, Jean. Mrs. Pickering is survived by her three sisters, Barbara Creamer of Loveland, Ohio, Brenda Streeter of Barbados, and Anne Biggs of Canada. The family would like to acknowledge a close family friend, Brian Madigan for his dedication to caring for Greta after her husband, John's death. Private cremation services have been entrusted to the Pinkel Funeral Home, 31 Bank Street (Route 23), Sussex. A memorial service will be held in the near future. Online condolences may be offered to the family at www.pinkelfuneralhome.com.

“ *My lovely cousin Greta. I only met her a few times as we lived in different countries but I am so glad that we did meet! She hosted my husband and I in her lovely home, the first time we met and the last time we saw her, was at a family reunion with 2 of her sisters. What a great weekend that was! Her Christmas cards, sent to my Mum and myself, are wonderful forever keepsakes of her wonderful talent. My mother was always very fond of Greta and loved visiting Greta and John. We all have warm memories of her kind, soft and gentle nature. Our heartfelt sympathy to all Greta's family and friends. May Greta rest in peace.*

Love,

Aunt Ivy (Rock) Fitton, Margery & Stewart Bowman & family.

“ Loving thoughts and memories will be shared by all who knew Greta. My dear aunt was sweet, gentle and kind with a sensitive heart that saw beauty everywhere. She returned that beauty by sharing her watercolors, her beautifully decorated home, her gorgeous flower garden, the gourmet touch she put into her cooking, and most of all in her smile. Our condolences go out to all her friends and family.

With love,

*David and Leslie Madalinski
