“*Squirt, Kid, that was Harold's words for me as long as I can remember, There were only three cousins, Harold, My sister, and then me, the baby. He took me to my first Professional Baseball Game and we all know what team that was, my first ride in a hot rod convertible, we were always very close. This was a complete shock to me as we always worried about each other, but since he found Clair and Clair found him, I didn't worry so much, because they were so happy together (he was always on cloud 9). We had spoke Thursday night and we were supposed to talk again on Monday, well now that will not be. I will be missing our phone calls, our cards to each other, never missed a date.*

*Oh my dear cousin, everyone that knew you loved you, and I am going to miss us. We had a special cousin to cousin relationship, but more then that you were like a big brother to me. I love you today, I loved you yesterday, and now I will love you as a ANGEL. Shine bright my dear dear cuz.....*

*So sorry to hear of my cousin Hal's passing. Growing up he was always known to me as "Pee Wee". We were very close growing up in Clifton. We sort of lost touch over the years but I loved him and thought of him so often.*

*This will bother me for the rest of my life.*

*I wish you Claire and Samantha & Jason my deepest sympathy.*
