“ I, too, grew up with Harold in Lyndhurst. As our friend Cheryl wrote, there are so many great memories spent with "the kids on the block." Harold was always kind -- can't really remember him uttering a mean word, picking a fight or actually involved in one! It was wonderful to meet him in town occasionally. I offer my condolences to his immediate and extended family. I am sure Fran and Harry will welcome him with open arms!

“ I am so sad to hear this. I grew up on Sollas Court with Harold and his lovely family. So many wonderful memories of just playing games, like hide and seek and riding bikes. Prayers to the family.

“ I have way too many memories to chose just one for my dad. I just want all of you to know this obituary doesn't even touch on how amazing of a person he was. I can't put into words exactly what I am thinking and feeling. If you didn't know my dad, you truly missed out. We all miss him deeply and look forward to being with him once again in heaven.
