“ *Jamie & Family,*

*Your family is one of our fondest memories of Montague. We never forgot how you welcomed Nicole when she would come for her visits, and how often she would talk about "Mr. Harry". We so enjoyed our neighborly chats and how Harry was able to let you know his thoughts on any particular subject, and always with that gentle, good humor of his. Harry was a mountain of a man, yet with an endearing heart of gold that somehow always came across to anyone who took the time to listen. We are honored to have known Harry, and ask that the Angels bring you comfort at this time.*

*Nicole, Amanda, Michele & Chris*
