“ i am one of Edna's children, sorry i will not be able to make it to the services. i am so sorry that she has passed away. i still have fond memories of when your Mother and Father, Eston would come to Belmont and we would all share meals together along with Frank and Sarah, Harry and Gladys and all of their children at Granddad and Grandma Milhoan's house it was so much fun. i still have fond memories when my mom and dad, Edna and Roland drove over to New Jersey when i was around 9 i think, we spent about a week at your parents house. i remember picking berries and walking around in their garden. time will help heal your loss with God's help, you will miss your Mom always but always think of the good times you shared with her and the love she always gave and shared with all of you. May God Bless.

“ I'm so sorry for the loss of Hazel. My grandfather Harry Milhoan was her youngest brother, her nephew Dick Milhoan was my dad. I have fond memories of Hazel and Eston traveling here to Ohio with their camper. Again, you have my deepest sympathy.
