“ I have a lasting memory of Heather when I flew over from Gran Canaria to meet up Heather, Amy and their mum Janice in Kentucky. We all went to the combined theme park and water park some 10 years ago. Heather was always amused at my English accent as well as some of the words we used in English especially the cockney rhyming slang. One I know she always remembered and laughed every time was that I was "cream crackered". My thoughts and prayers are with the whole family at this time.
