“*Heather, I think about you all the time. Everytime I look out the window at night and see the stars in the sky, whenever certain songs play on the radio, and every night as I lie in bed. We miss you so much our beatiful angel. I promise that for as long as I lve not a day will go by that I won't think of you. I love you!*”

“ Aunt Nancy, Uncle Bobby, Ashley, Kyleigh and Nancy.

*I still can't really wrap my head around what happend, I was devastated when my Mom told me of Heather's passing and I just sat and cried for a long time. I was remembering times of Heather, Little Bobby and Myself at the cabin in Wantage and the fun sleepovers that we had there.*

*Heather will always be a ray of sunshine with her big bright smile and I will remember her always as someone with a bubbly and energetic personality who was always willing to help someone.*

*Although we did not see each other all that often and that is sad as we lived so close to each other, she always gave me a big hug and smile when she saw me.*

*I will hold the memory of Heather forever in my heart.*

*You are all in my thoughts and prayers in this difficult time. If you need anything, please do not hesitate to let me know.*

*I love you all.*

“ I had Heather as a student in English and have many fond memories of her. I recently spent quite awhile talking with her this summer at the fair and was so impressed with her joy of life and what she was doing.

I attempted twice to visit during the viewing but could not park or find the line shortened (which is a tribute to her wonderful self); I had to be to at a rehearsal for our play and am extremely saddened not to have paid my respects to her family and close friend Tracy. I will always remember Heather and am upset by her death. Bless all of you who mourn. With deepest sympathy, Jeanne Heinke
