Dorothy, Matt & Siblings I am deeply sorry for the loss of your precious daughter, I for 1 Know exactly how you feel. By the way this Tribute was put together, it looks like you have an amazing family. I hope you find the way to be assured she will always be there with you, cracking faces and comments just like she's there. Heaven will always be with you in your heart, dreams and focus. She may not be present but she is there with all of you. you will feel her presence, when you do, endure the embrace she gives. Even if its a small token coming out of nowhere. May she sleep in peace! Embrace those memories your family has shared
