“ Nanny was an amazing woman with lots of love for all of her babies. Growing up she taught me to play dominoes and rummy, made me the yummiest meals & spent Christmas Eves hogging my bed, so I had to kick her out of bed occasionally. Nanny was one of my biggest supporters and always showed how proud she was of all of her little ones as they grew up and made lives for themselves. We were blessed to introduce her to our son and will cherish that memory. I only wish he would get to know the same love and spoiling that I had. She will truly be missed but her memory will live on in all of her children, grandchildren, great grandchildren and great great grandchildren.
