“ *Uncle Herbie. The man who always called me skunk ☐ from as far back as I can remember and still called it to me as an adult. I always joked that he never knew my name. He will be missed.*

“ Poppy not a minute goes by that I don't think of you. I miss and love you so much. You were the best grandpa and great grandpa to my little girl. Everytime she saw you on video call she smiled so big. Give Nana a hug and kiss from us.

To my beautiful best friend Debra, it's hard to find the words to say your family adopted me when I first came to Sussex, and I love you all for that, you all shared your mom and dad with me, I even introduced them to my now husband Walter to them before my own parents met him to get their approval, now I am forever grateful to you and your family for always being there for me and my family, I love you all and I am so sorry for the loss of the wonderful man that I called Pop, until we meet again, I love you Pop, Yvette and Walter and family
