“ Jean, I am heartbroken at the news of Howard's passing. Howard had become a dear friend since we both shared a love for our Golden Retrievers. I always looked forward to seeing him with Jake as they often walked the logging road next to our Lake Dunmore home. I'll cherish the memories I have of him and hope to see you at the lake this summer. I am so sorry for your loss -- my deepest sympathies.

“ Dear Jean,
Time has taken a toll on our friendship. Since we last got together there have been changes in our lifestyles. Sadly enough we have both lost our husbands, Hermann almost 6 years ago and Howard so very recently. Hopefully your family is near and able to help you through this difficult time. What would we do without our families?

I have moved to a small, cozy facility very near to Dianne and Tom. My new address is:

Jean Menninghaus

I see from the obituary that you are in Wantage, NJ possibly near your daughter. My thoughts are with you and I would love to hear from you when you feel up to dropping me a line.

Love, Jean

“ Jean and family, I was so sad to hear of Hudge's passing. He always offered a friendly smile, and what a beautiful bass voice he had, that has been missed for years. I will fondly remember his love for his dogs, and especially when Ryan and I visited when you got Jake. Ryan still speaks of that day. I will keep you, his family in my prayers. As for Hudge, we all know he is now in an awesome place. Enjoy Hudge, rest in sweet peace.
