“ Doc was an honorable and kind man that I respected very much. I have a lot of good memories of Doc and his family. Among other things, Doc and Lili were kind enough to let us play baseball and football in their backyards, there was ping-pong, and Greenwood Lake. He let me mow the grass and shovel the snow to let me make a little money. And to this day, he was the best optometrist I've ever known.

My heart goes out to Lili, Rich, Curt, and Anita. Your husband and Dad did a lot of good for the town of Sussex. My Dad and Mom, David and Mary, would also like to send their condolences. Our deepest sympathies go out to your family.

“ Dr. Treiser helped me out with a lot of training with my astigmatism and poor eyesight. Always friendly and courteous, he was a great role model in helping people. I have very nice memories of Sussex with Dr. Treiser being an integral part. I'm sorry to hear the sad news, Richard, Anita, and Curt. My best to your family.
