“ Oh my gosh, I am so sorry to hear of Isabel's passing, I am one of her customers at the dollar tree and we spoke often, such a nice lady, and she will be missed. I will say an extra prayer tonight for Isabel. So sorry to hear family for their loss.

“ I worked with Izzy for several years before she retired. She was one of the most hardworking and caring people I've ever known. Every time I went to her unit, even if I was just dropping something off, I'd wind up talking to her for at least half an hour. She always told the best stories and she gave great advice. She was such a bright light and she will be missed. My deepest condolences to her family and friends. May she rest in peace.

Sincerely,
Angela Barbier

“ To the family of our dear beloved Izzy,

It is with much sadness that we were notified of Izzy's passing. Izzy was my nursing assistant on the night shift for over 22 years on the pediatric unit at Cooperman Barnabas Medical Center. She was hardworking, compassionate, friendly, and provided thorough care in every patient she cared for. Every unit in the hospital wanted Izzy as their nursing assistant on the night shift; but we on pediatrics were the luckiest unit to have had her as our friend and colleague.

On behalf of myself and the pediatric staff, we hope that all of your warm memories of Izzy will bring you comfort in the days ahead.

Izzy... you will always be in our hearts. Rest in peace our dear friend.

With warmest regards,

Bonnie Sacks and the 4300 Pediatric Staff

I had the pleasure of working with Izzy at SBMC. She was a wonderful addition to the pediatric floor. When I left peds and worked on another floor, Izzy and I would see each other and she always had kind words. She will surely be missed. Rest in peace Izzy. ❤

Izzy was my night-shift break buddy for years and a very good friend. When I first met her many years ago, I had been pulled to work on her floor on my birthday, and she got a Twinkie from a vending machine, stuck lit cotton swabs in it, and sang Happy Birthday to me. I took care of "little Jimmy" as a hospital newborn, and was so glad to be able to do that for her. Iz was a warm, caring, wonderful person and we all loved working with her.
