“ I'm very proud to say I knew Jim but only for a short time, he never refused company, would do anything for anyone. Every time I would stop in to visit, he would say to me and I quote " don't be a freakin stranger, stop in anytime". Jim, you and Anne raised a wonderful family, 3 sons, 1 daughter, several grandchildren and great grandchildren. God has plans for you now. Your love for the country and serving in the armed forces, I thank you. Stand down soldier, your mission here is complete. Rest in peace. Be safe on your next journey. My sincere and deepest condolences to the family

“ I remember the first time I met Jim, with his twinkling eyes and impish grin, he immediately made me feel as if I was a part of his family forever. I always felt loved and welcomed by him and Anna. He was never critical, always accepting, loving you without condition. He had a charm and warmth about him unsurpassed by no other. When Angel and I got married, he and Anna drove up from Florida to celebrate with us - no distance was too far for his family. Angel felt his love and acceptance also. I'm going to miss you my "Santa Baby" , I'll never forget you. Thank you for your love. Rest in God's hands, in His everlasting love, in eternal peace. Hilary
