“ You were my first born nephew and you were a happy smiling cute little boy who stole our hearts ❤️ right the moment we met you. I was one proud Aunt and will never forget the time I asked your Dad if I could take you to the store to show you off, all went nice till I locked you in the car and through the keys in too, but some nice man had a hanger and back in the day could get it unlocked that way, all was good but telling his Mom and Dad what happened was hard but again all was good. Rest In Peace sweet nephew ❤️ Love you forever and always
