“ *I am so incredibly saddened to hear of Jeff's passing. He and I worked together, and there was never a time that there wasn't laughing, really until your stomach, or face hurt! He was a special soul, a bright light of kindness, with an incredible artists eye and a sassiness only a few could match.*

He will be missed my many. My sincere condolences to his family and loved ones. Rest in peace, my friend.

“ *We met in High School where Jeff's irreverent humor helped get us through theater & musical productions. All these years later & I could count on messages & hilarious voice-mails every day to cheer me. So grateful to have known " my Jeffrey ".*
