“ *Those who touch our lives, stay in our hearts forever.*

I had the honor of meeting Jeff back in the mid 80's when he purchased his upstate property in Hamden NY becoming my neighbor. We became good friends, going to the summer fairs together and driving in the woods on our ATV's, BBQing and eating a lot!!

He was the kindest person I know. Always willing to help anyone in need.

He is Greatly loved, and will be deeply missed.

Wishing you all peace, comfort, courage, and lots of love at this time of sorrow.

My heart goes out to you all at this difficult time.

“ Jeff was kind and loving and I never heard him complain even through his battle with cancer. He loved life. I knew him through the mineral club. My life is better for knowing him. Love Laura Jacobson
