“ *This is so heartbreaking to hear. Jen was a childhood friend and we would periodically reconnect throughout our adult life. She was always so funny and caring. We had some fun times at her mom's house roller skating in her basement, camping in the back yard, listening to music, and watching movies with popcorn in her living room. I wish her peace now in Heaven. I send my prayers and sympathy from Texas to her family. I send hugs and strength to her mom Rose. Rose you are an angel on Earth. RIP pretty girl*
