“ I'm just heartbroken to hear of Jennifer's passing! Jason, I vividly remember the day the three of us spent together at Great Adventure with "Bally." Best day at a theme park ever! That is how I will always remember her. I hope the cherished memories of your many years together bring you some comfort when the pain subsides. Please know we are all thinking of you with love and support, hoping it eases your suffering just a little bit.

Much Love,  
Regina (Reggi) Zingone

*It makes me so sad to hear that Jennifer wasn't able to stay on this earth longer. I have followed her journey and was always amazed by how strong and positive she always was even when her pain was terrible. I am so blessed to have been able to know her and you Jason, in these more recent years... she was an amazing source of life and helped me to understand so many things about her gift and a different way to see life. She will be with you always! May Jen Rest In Peace and may you find a way to go on knowing she is pain free and watching over you. ❤️*

*Love,
