“ My deepest sympathy to the Family on your loss. I have so many memories of all the years we worked together at C E L. She was my go to coworker who always came up with great craft ideas. She never complained about the extra work. I know that all the children that she cared for with such love will be waiting for her in heaven. Love and prayers to Charlie and her family.

“ She was a beautiful light in our lives who loved family and cherished all of her friends. My mom cared deeply about other people, especially the little ones who were in her care. She had a passion for furry friends, too. She found joy in feeding the birds, tending to her yard, and buying knickknacks for her house. She especially loved nothing more than being with my father, her sweetheart, confidante, and, in the end, her unfailing caregiver. Thank you, Mom, for all that you were and all that I am because of you. Rest in peace. I love you.

My dear Susan, I was so blessed to have worked with your Mom at Wantage. What a lovely, caring lady. She had a smile and joyful word for all! And of course, having you as a student was a gift! Whenever I saw her in later years, she always caught me up with your life. She sure loved you! My deepest condolences to you and your Dad...

Charlie and Susan - JOan and I go way back to my early years in teaching. Joan was always so helpful and thoughtful and creative. A very special person. She never forgot to send a card on my birthday. I will miss her beautiful smile. My thoughts are with you both at this sad time. Cherish the memories!
