“ *To Jackie's Family,
We want to extend our sympathies to all of Jackie's family. We knew Jackie when she came to our church, Lafayette Federated and married Howard. We were in his Sunday school class. She was a delightful person who was hard-working. We loved seeing her love for the Lord and growing in Him spiritually. We were saddened to hear of her illness and now of her death. She will be missed by many people. We are praying for your comfort and strength as only God can give. You have so many wonderful memories of her. May they help fill the void that you are feeling now. May the Lord bless you and keep you.
In His care,
John and Grace Carroll*

“ *We are so sorry that we are unable to express our deepest sorrow of Jackie's passing in person today. Joan is still trying to get over Bronchitis & Sinusitis and it would not be wise for her to go out today.
Please know that you have our deepest condolences on her passing.
Jackie will be dearly missed by everyone who had the honor to know & love her. She was an awesome woman.*
