“ *Although I hadn't had the pleasure to meet Mr. Herman, I certainly know his son John. John must have done something right for his son to come out as such a fun loving and caring person, with an incredible work ethic. Our hearts here in California go out to the entire family and friends who share in this difficult time. May the promise of new and easier days ahead become a reality soon. I hope you can all celebrate the person that he was and discuss the wonderful stories that make up this mans incredible life. We all have stories and it would be a good time to remember and share them with each other on how he changed and affected your life. All the Lords blessings and prayers,
Love Steven and Debbie O'Hare*
