“ It was such a pleasure to take care of you
during your stay at the hospital. As nurses we
are trained not to get too attached but once and
a while a special patient comes along that
makes an impact. That was you John. My
condolences to your sons, family and friends.
Until the very end you managed to still crack a joke here and there
that made me smile. Fly high my friend and rest easy. You are pain
free.
Your nurse Angela.
