“ Just learned about the passing of John Frederick Last and I am very saddened.

John Frederick Last was a man of brevity. I, a person of detail, am a better man by working with him. I told him this.

John Frederick Last used to cook a delicious Thanksgiving meal for all of his colleagues. I told him this.

John Frederick Last called the police for a missing person when I was laying in an ICU bed and did not show up for work. I told him that's love. Needless to say, he was blushing.

John Frederick Last, may you rest in peace with Andrea.

With deepest sympathy,

Joseph Cecala, Scotty's Taxi Driver "One Six" aka "The Geek"

“ My condolences to the family.

So sorry to hear about John passing. He was a person that looked out for me and my family for years. In a time in my life when I needed a person to be supportive, he was there for me. So many great times I can share as I worked with him. John was like a father to me and I'll never forget that. I will pay it forward. Rest in peace John Frederick
