“ We're so saddened and shocked to hear of your passing. You will be sorely missed. We'll always reflect on our frequent phone calls when we reminisced over our years of working together at NJP&L. Those were the good times. Remembering our enjoyment over a good steak, hunting and fishing trips we made together. Our friendship, all these years, is appreciated and has been tremendous. Rest in peace, good friend.

“ John was a great friend of my late husband Jim. He was with him when he passed on a fishing trip in 2012! We remained friends and traveling buddies over the past few years, checking off Jim’s bucket list. We spoke almost every day on the phone and he will be greatly missed. My condolences to his family, neighbors and friends!
