*Jim & I will remember him as a fun loving person who always made you laugh. He loved his family and was very loyal to his Mom & Dad & Brother. He enjoyed taking his nieces and nephew to many activities. My fondest memory of him was when he rode his motorcycle. I remember the day he was born and will miss him so much. He loved to go fishing with Uncle Jim, along with his brother Chad. We will always remember his smile and laugh. God Bless him.*

“ *Its hard to find the words or to single out just one good memory of my cousin John. His ability to make me laugh was unending. Never was there a time that we were together that he wasn't mischievously teasing me with a twinkle in his eye or sharing an inside joke. To say he was a good guy is an understatement. He was one of the best. To realize he is no longer with us saddens me. I do know that you are soaring high on angels wings John Henry. You will be missed by many and you will stay in my heart forever. Thanks for the smiles, the laughter and yes even the teasing! Until we meet again Cuz soar high.*
