“ I only knew John for 45 years, but my favorite memory among others was when I was telling him, "I need a tree cut down, it is leaning really bad and the tree guy wants \$150.00 to do the job" John jumped in action, "I will be at your house Saturday, I am a Tree Cutter Downer Specialist".

Okay as long as you know what you are doing, it works for me, but please do not let it fall on the bushes that cover the look to the pool first problem while John was measuring and marking the tree, "Julie Fell Into The Pool"

must have felt like forever but we got Julie out within seconds

2nd problem - John showed me how to mark a tree, put a notch in a tree, and how the tree will fall exactly where you want it!!

3rd problem, New Bushes Were Purchased Two Weeks Later!!!
