“ *I had the honor and privilege of meeting Johnny at Camp Happy Times 2024 where I served as a counselor. My co-counselors Kail and Steve were charged with 15-18 year old boys cabin. To describe Johnny as a 'good kid' would be an understatement. He diligently said his prayers before each meal and before turning in at night. He demonstrated extraordinary leadership capability while fitting in and clowning around with the other campers naturally. I had a chance to visit him at MMH a few months ago for a little BBQ lunch. I know he was looking forward to returning to camp this year, right up until he passed. The world seems less bright without Johnny's light in it.*

“ *Johnny's smile was contagious, his strength was fierce and his fight was like no other and his friendship will last forever with those he let into his circle. There is no other defense man like you Johnny. Rest easy now.*

“ My heart goes out to Johnny's family. I got to know Johnny in my History class when he was in 10th grade. He just loved history and was always contributing to the conversation in class. He helped make the class more interesting and easier for me to teach by having someone who was so willing to engage in the class conversations and activities. He was also an up standing young man that wanted to help make the world that he was a part of, even for a short period of time he was here for. He had joined the Interact Club that I advise at school and came and helped with our Snack Sack program for local elementary students and in our fundraisers. Johnny will truly be missed.
