“ *I'm so sorry to hear of Jay's passing. He was always so friendly and really made me feel like I was a welcomed part of the family when I'd visit Megan and Kate the years I worked at the Beemerville 4H camp. My deepest condolences to the entire family. May his memory be a blessing.*

“ I was so sad to hear that Jay passed away. I didn't really know him personally per se but he was a daily visitor at Horlers General store in Unionville. He always knew all of our names and greeted us every time he came in. He would tell me I always wore pretty colors. He told me he liked my car. He was a very personable gentleman. He would get his Post newspaper everyday and then head to the coffee station. More than once he would forget to take his debit card from atm and we would ask if he took it. He usually got a grilled cheese with tomato and salt. He would sit in his car after leaving and eat his sandwich and listen to his music. He is and always will be missed!!!
