“ I am deeply saddened to hear of your families loss. Judy was not only my boss but became my friend. She always had words of wisdom along with little sayings she would share which always created a chuckle. My time spent with her will always be a cherished memory.

I've thought of her often, and I will continue to think of her.

My condolences to the family, please know you all are in my thoughts and prayers during this time of sorrow, she will be dearly missed.
