“ *I can't believe you are gone Jud. Yes unfortunately you are gone but will never be forgotten. When I hear your name I picture your face with a big goofy smile and your face always as red as can be. I never saw you with a frown. I will always remember you as the happiest kid and yes kid because I have known him for soo many years. I have so much on my mind about you Justin I can't believe we will never get too see you or feel your presence on earth again. Fly high baby boy. Heaven is lucky too have you. Rest In Peace*
