“ I am greatly saddened at hearing of Karen's passing. I remember when she and my late wife Trika used to hang out together when she was working at Hair Trek in Newton. They were birds of a feather; smiling and laughing at each other's jokes. I don't remember Karen not smiling, ever. I appreciated her sharing her memories when my wife Trika passed in January. Now they are together in heaven telling jokes to the angels. I will miss both of their smiling faces.
