“ Wayne, Perry, & Wendy, & Families,
We are so very sorry about the loss of a wonderful lifetime friend who was so dear to our hearts, and all who knew her. She went out of her way to work for her hometown, “Sussex,” to make it a better place for both natives, and newcomers. Her tireless efforts throughout her life, and her beautiful smile, as well as personality plus will not soon be forgotten. Truly one of Sussex’s finest, a devoted wife, mother, classmate, neighbor, and friend. May she rest peacefully from all her labors for all of eternity. You are all in our thoughts and prayers as you mourn the loss of your dearly loved mother, and grandmother. She left a wonderful legacy for all to follow as an example.

“ I remember in 2007 Kathy came to the Sussex Democratic meeting to beg for assistance in her run for mayor. She was the only Democratic mayor in all of Sussex County. I was one of the two volunteers to help her in the mayoral race. Governor Corzine favored her opponent. Well Kathy lost the race, but it was a bigger loss for Sussex. Later I enjoyed working with her in fighting the privatization of the Sussex Water, and in her last mayoral race that she won.

Kathy was what one wants in a mayor, which is a person that put the town's interests ahead of her own.

Kathy will be missed.

“ Sorry to hear about Kathy. I remember her from grange and her stories about her trips with my grandmother Stella Kelsch to State Grange. They had some fun times together. She gave a certificate for turning 100 from the town of Sussex to my grandmother. That last time I saw her was at my grandmother's funeral.

“ Kathy & George were our neighbors across the street for many years. Kathy wouldn't put a curtain up in her sewing room so she could see my our Boxer's pretty face looking back at her. Good folks ! Rest in peace.

“ I knew Kathy as a member of the High Point Garden Club. Among her many other talents and positive accomplishments, she did much over the years to bring the beauty of flowers to Sussex Borough and the Clifton Lawrence School, as well as many other area projects. I always admired her independent spirit, her generosity to others, and the willingness to speak her mind. I'll miss you, Kathy. May you be at peace. Mary Cafarelli
