“ DeLoach family,

my condolences and I am sorry I was unable to attend the services for Kenny. I love the relationship I had with Kenny when he would come over and hang out with Randall and I. I will never forget the priceless three dimensional cross gold charm he gave me on Christmas one year. I knew at that point he was fond of me. We talked about school and engaged more than most...as you know Kenny was a quiet man; but not around me. Blessings to the family and know he has gone home.

“ *It breaks my heart to see such a young soul be returned to the Lord! His mission on earth was over and was called back to his Kingdom. I saw Ken many years ago when I was in NJ and he had just returned. Facebook kept us in contact occasionally. He was always willing to chat when he could! Rest in paradise well my friend!*

“ My heartfelt condolences to Ken's Mother and family and to Louie for being such a rock and unbelievable friend. I have known Ken only a short time but his impact on my life and life in general was HUGE. He has touched people in so many ways and gave life, energy and joy to all he encountered. There is no doubt his spirit will live on in all of us who were lucky enough to have him in their lives.

Ken, I will miss you greatly.

*With much Love,

“ Though I only knew you for 4 short years, you touched my life in many ways. Your sense of humor, funny antidotes on life and phrases only you could come up with will stay with me always. You will not be forgotten, instead lovingly remembered for the time we had together and the memories shared. Send us a sign every once and a while that you are here watching over us.
