“ I will always remember seeing Kristen at Saturday CCD. Everytime I saw her she had a great big smile and a big hello. She would have made a wonderful nurse.  
God bless you all my prayers are with you.

“ My deepest condolences to the Veltri family. I am shock and devastated by Kristen's passing. She was always so sweet and welcoming. Every patient we came in contact with loved her and she would have made an exceptional nurse. There was no one like her. She will be missed and never forgotten.

“ I just met Kristen this January at Seton Hall University where she was one of my students. I will always remember her for her sweetness and gentleness. I know I speak for the whole Monday evening clinical group when I say that we will all miss her terribly and it will not be the same without her. Our heartfelt sympathy and prayers go out to the Veltri family.

“ I was Kristen's Academic Advisor at SHU. We met last Friday. How quickly things change. I remember her sweet smile and that her education was almost complete. Her dreams were coming true and she was happy. God took her home on Tuesday. She will be missed but I know that she is an angel in the true sense of the word now, watching over us all. God bless the Veltri family. I am so sorry for your great loss.

“ Kristen was a brownie in my troop when she was 6 years old and I was blessed to have her again at Seton Hall as a student in my pediatric clinical group. Kristen loved pediatrics and was a pleasure to have in my group. When she 'got a concept' I would ask are you comfortable and she would smile broadly and say: 'Yeah, I got it!' What a smile Kristen had.  
She will be dearly missed.
