“ *Kristin and I grew up together like sisters. The Dalys treated me like a family member. I was in their house as much as my own. We have so many memories. This is how I remember Kristin, as a little girl, with her confidence and intelligence far beyond her years. Thank you Kristin for your years of friendship, laughs, silliness, and love. It was a gift to be able to reunite this past year and a half. I will be forever grateful for that. I love you Maryanne, Eugene, and Kyle.*

“ I never met your daughter but understand the pain, joy and hope your family felt. Please feel free to lean on me for support, even if just to listen and hold a hand. Kristin is a free spirit now, she is whole. You gained an angel, one who still loves and loves you very much.
