*Edward papienuk,
Lance , (Thumper) You have been my best friend throughout our adolescence and high school years and after ,we all had plenty of good times wherever we went, if was off white Rd , wawayanda , Stone Town, state park, or a ride to the ER at a Chilton Hospital getting my eye stitched up, you'll be missed but not forgotten, i haven't forgotten you yet, watch out for Scott up there, i will always keep you and all of the great memories in my heart
sincerely Eddie, 732-691-8199 if everyone wants to catch up*
