

Laura D. Brovich

October 27, 1954 - June 10, 2025

Wantage - Laura Diane Brovich, age 70, passed away on Tuesday, June 10, 2025, after courageously battling cancer for two years.

Laura was a passionate social worker, and former business owner known for her deep compassion and her unwavering ability to meet people exactly where they were in life. Her door was always open, her table always full, and no one ever left her home hungry—or unloved. To many, she wasn't just Laura—she was “Mom.”

She shared over 50 years of marriage with the love of her life, Tom Brovich. Together, they built a life grounded in love, resilience, and generosity.

Laura was preceded in death by her parents, Ed and Marilyn Nitzel; brother, Ed Nitzel as well as her beloved son, John Brovich and daughter, Heather White. She is survived by her husband, Tom; her sons, Thomas (Tiffany), William, and Eric (Johanna); and her grandchildren, who were the light of her life. She is also lovingly remembered by her brother, Tom Nitzel; her sisters, Dawn Paige and Carla Whittington, and countless others who were blessed to call her family.

“Laura was the heart of the family—the matriarch, the steady hand, the bold spirit. She was truly a force to be reckoned with, and she will be deeply

missed by all who knew and loved her.”

“*Laura was a dear friend, we worked together for many years. We would kid about all the shoes she owned. I remember her as my intern when she entered graduate school, and challenged everything. A truly caring person who lloved her family deeply. Laura you made me smile*

“*I often took care of Laura when she got her chemo treatments at the Cancer Center. I always looked forward to seeing her on Fridays her and talk about her life experiences as a social worker and how proud she was of her children and grand children. She had an amazing outlook and approach to life, inspiring in more ways than one. I'm grateful I got to know her in the capacity I did. She was a very special person and I will miss her greatly.*
