“ I met Laura thru my bother Kenny. I always liked Laura she always said what was on her mind and never pulled any punches. She kinda reminded me of myself. She would do anything for anyone that she knew. Laura was taken from us way to soon, but I guess god needed another angel. Well let me tell you he got a very special angel when he took Laura. I know she will be watching over us from above to make sure we are doing what needs to be done. R.I.P. Laura we will miss you dearly.
