“ Uncle Len was the best. We were in NJ visiting one summer and he came to where we were staying to see us before we left. He had a Mocatek Speeday shirt on and I said I liked it. He took it off and gave it to me right then. That's the type of man he was. Would give the shirt off his back to just about anyone. Even though we didn't get to see him much after him and Sue moved back to NJ, he was never far from our thoughts. Im going to miss him so much! Love you Incle Len!!

“ Lenny was not just a cousin to me; he was like a big brother, just as he was to all of his cousins. He always thought he was invincible, Mr. Tuff Guy, he didn't have me fooled. Len always did things his way including his final hours. Lenny you will be missed, and remembered always.
Love you much, Carol Ann

“ My dad was the roughest and toughest of men but on the inside he was a big mushy teddy bear. I remember every year for Christmas he and mom would always take out a big loan to spoil Lenny and I. We would awake to an enormous Pile of gifts. He always kept us in supply of motorcycles and go carts and above average fun activities.

When I was 6 he put me on a lil mini bike and said pull this trigger to go. He didn't tell me how to stop. He ran after me screaming as I flipped the mini bike over a concrete wall. I was slightly scraped up but loved every second of it. Or like that time the breaks went out on that lil mini car at Aunt Ollies house and I drug him all over the mountain until he was able to hit the kill switch. Those were the days!

I love you Daddy.
