“ *Lorraine, my cousin, we were closer than anyone could ever be. I tried several times to get in touch thru a family member. Only to be given false information on your location. I tried so many times. And now It Is too late. But you know i tried. I believe you felt ashamed to see me because you had changed.*
Love Always Your Cousin, Sherry

“ *My Precious Sister Lorraine, I miss you so much & I can't believe that it's been 7 years since I saw your Precious Face. I had to leave MGA because I didn't get the chance to see you & say "I love you forever."*

I could feel your restlessness spirit in the hallways. I took one of your Victorian Fringed Lamps & I keep it next to My Bed. Gail took one & she gave me the one that was in your bedroom.

When I found you that day & God took you away. I love you forever!!

“ *I will miss talking to Lorraine about Jehovah. Oh, how she wanted to learn about him and his promises for a better life. she was in sooo much pain all the time which prevented her from learning. She couldn't focus. I am happy she is out of her pain and is sleeping now, but only for a short time.*

*"Rejoice! For God's tent is with men,
And he himself resides with them. No
more will there be pain or crying, No
sorrowing nor any dying; For God has said:*

*'I'm making all things new.' These words
faithful are and true. Revelation 21:1-5*

*Jehovah is going to wake her up again, I can't wait to see her again
when she will be happy and healthy. "Let his flesh become fresher
than in youth; Let him return to the days of his youthful vigor."*

I today just found out that my dearest friend from Wayne has passed. My heart is in so much pain all day and i feel terrible about her passing. I had all intentions to find Lorraine again and have her visit me again but now it is too late. I love you Lorraine and I will never forget you. We have many memories together growing up together in Wayne NJ and you are always in my heart as you are remembered as the most precious, delicate, and sensitive person i have ever met. I wanted to talk to you about Jesus as I have become a born again Christian, but as i see, someone has guided you and I pray to be with you in Heaven -- I love you forever friend.

“ To My Sweet Lorraine's Sisters, Eileen, Doris, Gail, & Jane, I want you all to know how deeply saddened of the passing of your sister, Lorraine. As you know I have been a friend of Lorraine's since our childhood back when we lived on DuPont Terrace in Wayne. You all would remember me from when we were kids. Lorraine was very special to me and I will miss her sweet smile. God brought my sweet friend back to me here in Newton. It was in the Winter when I was on the elevator one day. Lorraine had asked me if her hat was on straight and I told her yes. When we had gotten to the lobby I stopped her to ask her if she was named Lorraine and she said yes. Then I asked her if her last name was Pomponio and again she told me yes. It was then she asked who I was and I told her I was Patty from her childhood. Her face lit up when she found out it was me. It was after that day we were back together!! So, now that God has taken My Lorraine Home, I will keep her close to my heart always.
Love,Patty
