“ Dear Family and friends, Our minds and hearts are with you all at this time of sorrow in the passing of our Aunt Marge. She was always so happy and proud of all of her family and loved to share stories of events, accomplishments, and photos as well as hearing about ours. She would always say "send pictures" and share a story from when she was young or about my Dad.

I'm sure we all still have a little something that she nitted for us tucked away somewhere and she still had a list of people she wanted to nit something for. She truly loved her family and we loved her. She loved performing civic work through her legion, and she loved our country.

We are with you in spirit and she and Uncle Walt will remain in our memories for ever.

With love Nadine, Hunter and the other Daniel
