“ I am very sorry for your loss. I had many great times with Mark in and out of work. Worked with him at County Concrete and RLM trucking. I remember running back and forth from Virginia to Conneticut with him. One time I got pulled over by DOT and I told him to stay back. In Virginia, truckers would get arrested for any load over 100,000 lbs. I was overweight with my load and a state trooper pulled me over to the scale house, and Mark cruised on by. He arrived back to the yard, and was trying to figure out how to bail me out of jail because the owner wanted no part of it. That's the kind of man Mark was , always willing to help someone out. He was shocked to see me roll in a half hour later. The state trooper let me go with only a ticket. Mark couldn't believe it when I pulled in. He laughed in amazement. Whether work or not, he was always there to make someone laugh. No matter how much time would go by, Mark would act as if you had seen him yesterday. Always my friend RIP from BooBoo
