“ We never met Michael but I have always seen Mikey with Liz and my cousin Michael...they really love him a lot and I know that they will continue to share their lives with him and make many more memories to help him smile again. God Bless You Michael. My sincere sympathies go out to the Families and may the memories you have shared with Michael in the past be some comfort for you at this difficult time.

“ Mike I will miss you forever... nothing is going to be the same without you around, especially at home..We are all guilty of not showing the people we love how much we appreciate them.. I hope you know how appreciated you were and how much I loved you. You were a brother to me.. I wish I could turn back time..please keep giving us signs we see them! We need them! I know we will meet again one day and I can't wait for that day. I promise to always protect Tiffany and your two boys forever <3

“ *Crazy how tight we were at one point in life and the good times we had. I will never forget my FL visit or our excursion to the chicken store lol man that was one for the books. You left behind two boys but also two strong women to care for those boys and the memories of you will be carried through them and onto your children. I'm not good with this stuff. I'm going to say this once for you (and Mikey) so pay attention, and you better not hold it against me when I see you in the after life GO G-men! Rest in peace man.*

“ I am so sorry Margaret, Melissa, and all of Michaels family. Taken way to soon. Although our extended family didn't gather very often, I will miss Michaels facebook posts and the banter I had with him about the Giants during football season. My prayers are with you at this terrible time.
