

Michael Yurchak

May 4, 1944 - May 8, 2026

Wantage - Michael Yurchak, age 82, passed away on Friday, May 8, 2026 at Newton Medical Center. Born in Sussex to the late Michael and Pearl (Kota) Yurchak, Mike grew up in Franklin and lived in Sussex County for most of his life. He attended college at Glassboro State College, now known as Rowan University. Mike was an underwriter for Selective Insurance in Branchville for many years before retiring.

Mike carried with him, a quiet connection to his father, Sgt. Michael J. Yurchak of Ogdensburg, New Jersey, who was killed in action on August 10, 1944 in France, during World War II while serving with the 110th Infantry Regiment, 28th Infantry Division.

He was an avid reader who could always be found with a book or newspaper nearby, and he carried a lifelong love for the Christmas season. He especially enjoyed watching the Christmas Story, a tradition that brought him laughter and joy year after year. Christmas held a special place in his heart, and each year he delighted in the traditions, music, lights, and holiday movies that came with it.

He was passionate about cooking and took great pride in preparing meals for the people he loved. His collection of cookbooks was well-loved and well-used, and he especially cherished preparing Thanksgiving dinner for the family each year, beginning with his famous stuffing recipe, which he would start preparing weeks in advance of the big day. He also had a deep

appreciation for wine and enjoyed discovering and sharing new favorites with friends and family. He was a true wine enthusiast.

He had a talent for finding hidden treasures at garage sales and took great pleasure in finding a good deal, often returning home with stories as memorable as the items themselves. His curiosity, practicality, and negotiating skills made every outing an adventure where he found the best deals.

A devoted baseball fan throughout his life, he loyally followed the Boston Red Sox and remained a faithful fan of the Giants even after their move to San Francisco. Willie Mays was his favorite player, and he never lost his admiration for the joy and greatness he brought to the game.

He also had a special love for animals and a gentle kindness that extended to every creature he met. More than anything, he will be remembered for his great personality, fun sense of humor, the traditions he created, and his willingness to give to help family or friends in need. His memory will live on in holiday gatherings, shared meals, baseball games, beloved pets, and the countless stories that will continue to be told for years to come.

In addition to his parents, Michael was predeceased by his step-father, Stanley John Balson USN WWII and his brother, Jon Balson. Michael is survived by his loving wife of 32 years, Kathleen (Como); his sons, Mark Yurchak and his wife Kathia of Sparta and Patrick Yurchak of Florida; his step-sons, Adam Lazier and his wife Rebecca of Wantage, Aric Lazier and his wife Agnieszka of Byram; his step-daughter, Ann Marie Sorensen of Wantage; his brother, Gary Balson of Millville; his grandchildren, Allison, Nicholas, Abigail, Owen, Katelyn, Lauren, Kayla, Jacob, Emily, Landon, Dominic, Christopher, and Charlotte; his great grandson, Jaxson and one great grandson on the way; his sister-in-law, Cindi of Pennsylvania; many cousins that he adored, and several nieces and nephews.
