“ There are no words that I can write to tell you how much you will be missed. Thank you so much for letting me tag along with you when I was a kid. You took me to my first NHL game in 1968, you took me to all the Pops softball games and you let me play on your indoor hockey team; and you always protected me on the gym floor. Rest in peace Funge. We love you!!!!

“ We will miss you Nick. Though we didn't see one another much, it was always fun and a lot of laughs when we did. I was really looking forward to that fast pitch stick ball re-match. You know I would have rocked you this time around. Rest in Peace Nick.
